KEY SKILLS

Qualitative research | Source and literature review | Interviewing and field inquiry | Thematic analysis | Program evaluation | Evidence synthesis | Research documentation | Budget and data tracking | Provenance and citation practice

SELECTED EXPERIENCE

Founder, Project Manager and Translator - Independent Refugee Support Initiative

Serbia, Croatia and remote coordination | Feb 2014-Dec 2015

- Founded and coordinated a cross-border support effort that raised more than \$8,000 for food, water, legal assistance and urgent needs.
- Verified changing information, translated communications and coordinated professionals, supporters and on-the-ground needs.

Teaching Assistant - European Graduate School

Saas-Fee | Sep 2014-Jun 2015

- Assisted philosophy and critical-theory seminars during the first year of the MA program.
- Supported discussion, preparation and academic work in an intensive international seminar environment.

Community Development Manager - Campus Crops Farmers Market, McGill

Montreal | Sep 2011-Aug 2015

- Redesigned budgeting and expense tracking in Excel, coordinated volunteers and supported public programming.
- Developed partner relationships for a student-run urban agriculture initiative and farmers market.

Research Assistant - McGill University, Philosophy

Montreal | 2013-2014

- Supported philosophy research during the final year of undergraduate study before beginning the MA at EGS.
- Worked with academic sources, note organization and research preparation.

Conference Organizer - McMUN and SSUNS at IRSAM, McGill

Montreal | c. 2011-2013

- Helped organize university and secondary-school Model United Nations conferences, including a university event with about 1,600 delegates.
- Supported schedules, participant communication, logistics and collaborative delivery.
